INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. 1.97(b)

Pursuant to 37 C.F.R. 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached PTO-1449 forms. This Information Disclosure Statement is being filed, to the best of the undersigned's knowledge, before the mailing date of a first Office Action on the merits for the above-referenced application. Accordingly, Applicants do not believe that a fee is due with the filing of this paper.

The present application is a continuation application of U.S. Application No. 09/585,559 (filed June 2, 2000), which is a continuation-in-part application of U.S. Application No. 09/257,188 (filed February 25, 1999), which is a continuation-in-part application of International Application No. PCT/US97/21324 (filed November 14, 1997), which is a continuation-in-part application of U.S. Application No. 08/896,085 (filed July 17, 1997) now U.S. Patent 5,980,898 (issued November 9, 1999), which is a continuation-in-part application of U.S. Application No. 08/749,164 (filed November 14, 1996) now U.S. Patent 5,910,306 (issued June 8, 1999). Application No. 09/585,559 claims the benefit of U.S. Provisional Application No. 60/137,790, filed June 3, 1999. The Examiner's attention is respectfully directed to the art of record in these prior applications.

An Information Disclosure Statement for U.S. Application No. 09/585,559 was filed on January 3, 2002. A copy of the PTO-1449 form filed with this Information Disclosure Statement is attached. Also attached is a form PTO-1449 listing the references cited by the Examiner during prosecution of the parent application. Applicants respectfully request that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached form. This submission does not represent that a search has been made or that no

better art exists and does not constitute an admission that each or all of the listed documents are material or constitute prior art. If the Examiner applies any one of the documents as prior art against any claim in the application, and Applicants determine that the cited document does not constitute prior art under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Except for issue fees payable under 37 C.F.R. § 1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. § 1.16 and § 1.17 which may be required, including any required extension of time fees, or credit any overpayment to Deposit Account No. 50-0310. This paragraph is intended to be a constructive petition for extension of time in accordance with 37 C.F.R. § 1.136(a)(3).

Dated: January 27, 2004
